I am a Yoga Teacher.

We do not sell our membership lists or e-mail addresses to third parties. The above information will be used to mail newsletters and other correspondence to members. It will also be used to compile a database of members in support of grant applications. Workshop and retreat attendance lists may be circulated among workshop participants to enable communication for the purposes of car-pooling, etc.

When does my membership expire? Memberships expire on the 31st of December of the current year, unless a lifetime or multiple years membership was purchased. The expiry date of your membership can be found on the label on the envelope your newsletter was mailed in.
